Note: This product contains the micronutrient iron for extra greening and to help prevent iron deficiency. Iron may stain concrete and other surfaces. Misapplied product to these surfaces should be removed promptly by sweeping or blowing. DO NOT WASH OFF WITH WATER.

Recent research has shown that environmental buffers prevent pollutants from entering our natural water bodies. To help protect these natural resources, avoid applying product to sidewalks, driveways, roadways,

and other impervious surfaces. Sweep any misplaced granules back onto the area you are treating immediately after application, since storm drains often empty directly to nearby waterways.

STORAGE AND USE

Store in a clean, dry place. Reseal opened bag by folding top down and securing. Use only in clean, dry spreaders. Do not leave unused product in spreaders.
